

MARCEL

BAR & BISTRO

Welcome to Marcel where our passion for great quality wines runs deep.

We believe in promoting vineyards that are treated with the utmost respect, avoiding the use of harmful chemicals for effortless production. The producers we proudly showcase share our philosophy, crafting the best wines each vintage by working in harmony with what the vineyards offer.

We have a profound admiration for winemakers who embrace organic and biodynamic principles, both in the vineyard and in the winery. Sustainability and honoring the unique terroir of each wine are at the heart of our selection. When you explore our curated list, you'll find exceptional Australian wines alongside classic grape varieties from various wine regions worldwide.

It's an exciting time to be a part of the wine world, with constant experimentation and new styles emerging. We're thrilled to support innovative winemaking, while still paying tribute to the timeless classics that have delighted wine lovers for generations – including a special feature on the grape that put Australia on the map, the magnificent Shiraz!

Before we continue, let's take a moment to acknowledge the Darug nation, the Traditional Custodians of this land. We pay our deepest respects to their Elders, both past, present and emerging.

Feel at ease, immerse yourself in the delightful ambiance, and cherish the presence of dear friends and loved ones. Join us in opening an exceptional bottle of wine, for life's brevity warrants nothing less than the finest to be savored. Cheers to embracing the best moments!
